## BLACK TEAS

*Black tea undergoes a full Oxidisation process which enables the leaf to develop deep, rich and full bodied flavours and aromas.*

### **THE FULL ENGLISH**

This is a true classic. Well rounded with a full flavour. Best enjoyed with milk and pairs well with coronation chicken sandwiches.

### **THE MIGHTY ASSAM**

Smooth, rich and full bodied with an unmistakable malty punch. Wonderful with ham, tomato chutney, mustard and cress sandwich, scones and the mandarin and milk chocolate log.

### **THE EARL**

This sublime Earl Grey blends Chinese black loose leaf tea with the citrusy flavour of bergamot. Pairs perfectly with smoked salmon and horseradish sandwich and the passion fruit, strawberry jelly tartlet.

### **NUTTY CHOCOLATE TEA**

Inspired by tea and chocolate this Rich Assam loose leaf tea is a perfect partner with the scones and miniature fancies.

### **PASSION FRUIT CEYLON**

Ceylon teas originate from a variety of altitudes on hill sides in Sri Lanka. This high grown tea has a beautifully light flavour and blends perfectly with the sweet aroma of caramelised passion fruit. Pair a sweet tea with the black forest gateaux.

### **ALL DAY DECAF**

Fantastically well-rounded, bold and brisk. It is perfect for any time day or night.

## WHITE TEA

*White tea is the least processed of all the teas. The fresh bud is picked and left to dry in the sun, the resulting liquor is sweet and light.*

### **ROSY FIG WHITE TEA**

White tea is a real delicacy. Blended with a hint of rose and fig it creates a beautifully sweet and mellow tea. Delicious with scones.

## INFUSIONS

*Infusions, or tisanes, are naturally 100% caffeine free and offer a delicate flavour to suit any taste palate.*

### **PURE CAMOMILE**

Golden and sweet, subtly flowery with a light and gentle taste

### **THOROUGHLY MINTED**

Rounded with vibrant bursts of sweet spearmint this infusion is everything you expect from the ultimate mint experience.

### **FRESH MINT TEA**

Excellent revitalising infusion of pure fresh mint leaves.

### **REDBUSH CARAMEL VELVET**

The flavour of rich, creamy, sweet caramel goes perfectly with redbush. It's ideal any time of day as it's naturally caffeine free.

### **SUPERFRUITY**

A deliciously juicy and fruity blend, packed with wonderful countryside flavours.

## GREEN TEAS

*Green tea is not oxidised giving them lighter, fresh, grassy and sweet flavours.*

### **SIMPLY SENCHA**

A wonderfully mellow and slightly sweet green tea. Superb with cucumber chive and cream cheese sandwich.

### **JASMINE PETALS & PEARLS**

Delicate Jasmine Pearls are the result of light green tea layered with Jasmine flowers, to create the perfect balance of flavour. Camomile flowers and rose petals add a soft floral note to the blend.

### **APPLE & ELDERFLOWER GREEN TEA**

East meets West with this delicious and delicate, Oriental Green Tea. Amazing with the coconut sphere with Brazilian chocolate.
