

Since 1983 Harney & Son has been the source for fine teas. We travel the globe to find the best teas and except only the exceptional. We put our years of experience to work to create blends beyond compare. You are assured only the freshest teas. Never straying from our heritage and classic feel, we strive to stay ahead.

Black Teas

Black tea undergoes a full fermentation process and has more antioxidant power than a serving of broccoli.

THE HILTON ROYAL ENGLISH (India / Ceylon)

*"A secret recipe blend created especially for London Hilton on Park Lane Afternoon Tea.
A rich, robust and full bodied black tea, delicious malty Assam blended with mellow Ceylon"*

THE HILTON AFTERNOON TEA BLEND (India, China, Formosa)

*"A special blend designed for your enjoyment as a perfect tea for our Chocolate Afternoon Tea.
A classic, light and elegant blend of Darjeeling
with a hint of smoky Lapsang and a touch of Oolong formosa"*

IMPERIAL EARL GREY WITH BLUE FLOWERS (China Black)

*"A delightful blend and a beautiful twist on Earl Grey.
Large leaf China black tea infused with lavender flowers and citrus Bergamot oil. Refreshingly light"*

ASSAM GOLDEN TIPPY (India)

*"A full bodied black tea, high grown in North India,
yields a rich aroma, strong and malty taste"*

LAPSANG SOUCHONG IMPERIAL (China Black)

*"Large leaf China tea from the Fujian province infused over pine leaves
and tarred ropes to give it its distinctive 'smoky' flavour"*

Oolong - Blue Teas

Oolong, or semi-fermented tea, is mostly made in China. The leaves are wilted in the sun, then shaken in bamboo baskets and spread out to dry. Oolong tea is always a whole leaf and never rolled.

ORANGE BLOSSOM OOLONG (Formosa – Taiwan)

*"A very light and elegant semi-fermented tea
with a hint of nuttiness and infused with orange oil and orange blossoms"*

Decaffeinated Tea

BLACK DECAFFEINATED

"Black decaffeinated Ceylon tea yet full of flavour"

*Tea is drunk to forget the din of the world
T'ien Yiheng*

Green Teas

Green tea is unfermented. The freshly picked leaves are allowed to dry. Green tea contains one third of the caffeine of the black tea and is high in antioxidants.

DRAGON PEARL JASMINE (China)

"Hand rolled pearls of Jasmine Green tea. A beautiful cleansing tea, highly perfumed yet perfectly balanced"

JASMINE FLOWER MAIDENS (China)

"Beautifully sculptured hand rolled jasmine tea which blossoms over hot water turning into a beautiful yellow flower. Refreshing sweet, jasmine flavour"

GUNPOWDER GREEN (China)

"Delicious and refreshing China green tea from the Formosa region. Wonderfully relaxing and clean with a slight 'smoky' flavour. It takes its name from the rolled leaf balls that are leaden in colour"

Herbal Teas

Herbal teas are 100% caffeine free and offer a delicate flavour to suit any taste palate.

CAMOMILE HEADS (Egypt)

"A perfect soothing and calming digestive tea with real camomile heads from Egypt"

PEPPERMINT TEA (Egypt)

"Clean, soothing yet refreshing"

FRESH MINT TEA (Great Britain)

"Made with real fresh mint leaves to produce an excellent revitalising tea"

ROOIBOS (South Africa)

"Caffeine free red tisane from South Africa, rich in essential minerals"

FRUIT OF THE FOREST (Europe, Thailand)

"Juicy blend of strawberries, blackberries and raspberries infused with a hint of passion fruit, kiwi and orange"

White Tea

White tea is the least processed form of tea, made of beautiful silver buds and select leaves which have been steamed and dried. It has been the privilege of the rich, and the downfall of the emperors.

SILVER NEEDLES (China white)

"This is the rarest of the rare teas. One of the most glamorous teas. Beautiful silver leaves and large buds which make a sweet, but delicate tea with a clean, velvety peachy fragrance"

Your waiter will be able to advise you on the choice of tea and accompaniments such as milk, lemon or sweetener
